

I Can

But I Won't

I Thought

I was awesome

In Reality

I was so scared

Playtime is Over

drop the ball

Scott Hanselman

So Many

cool stuff

So Little

time

Teach Yourself

C++

in 24 Hours

not so fast!

Instead **Teach Yourself** **Programming in Ten Years**

Peter Norvig

You Can't Be

good at everything!

Pick One

thing

Anything
that scares you

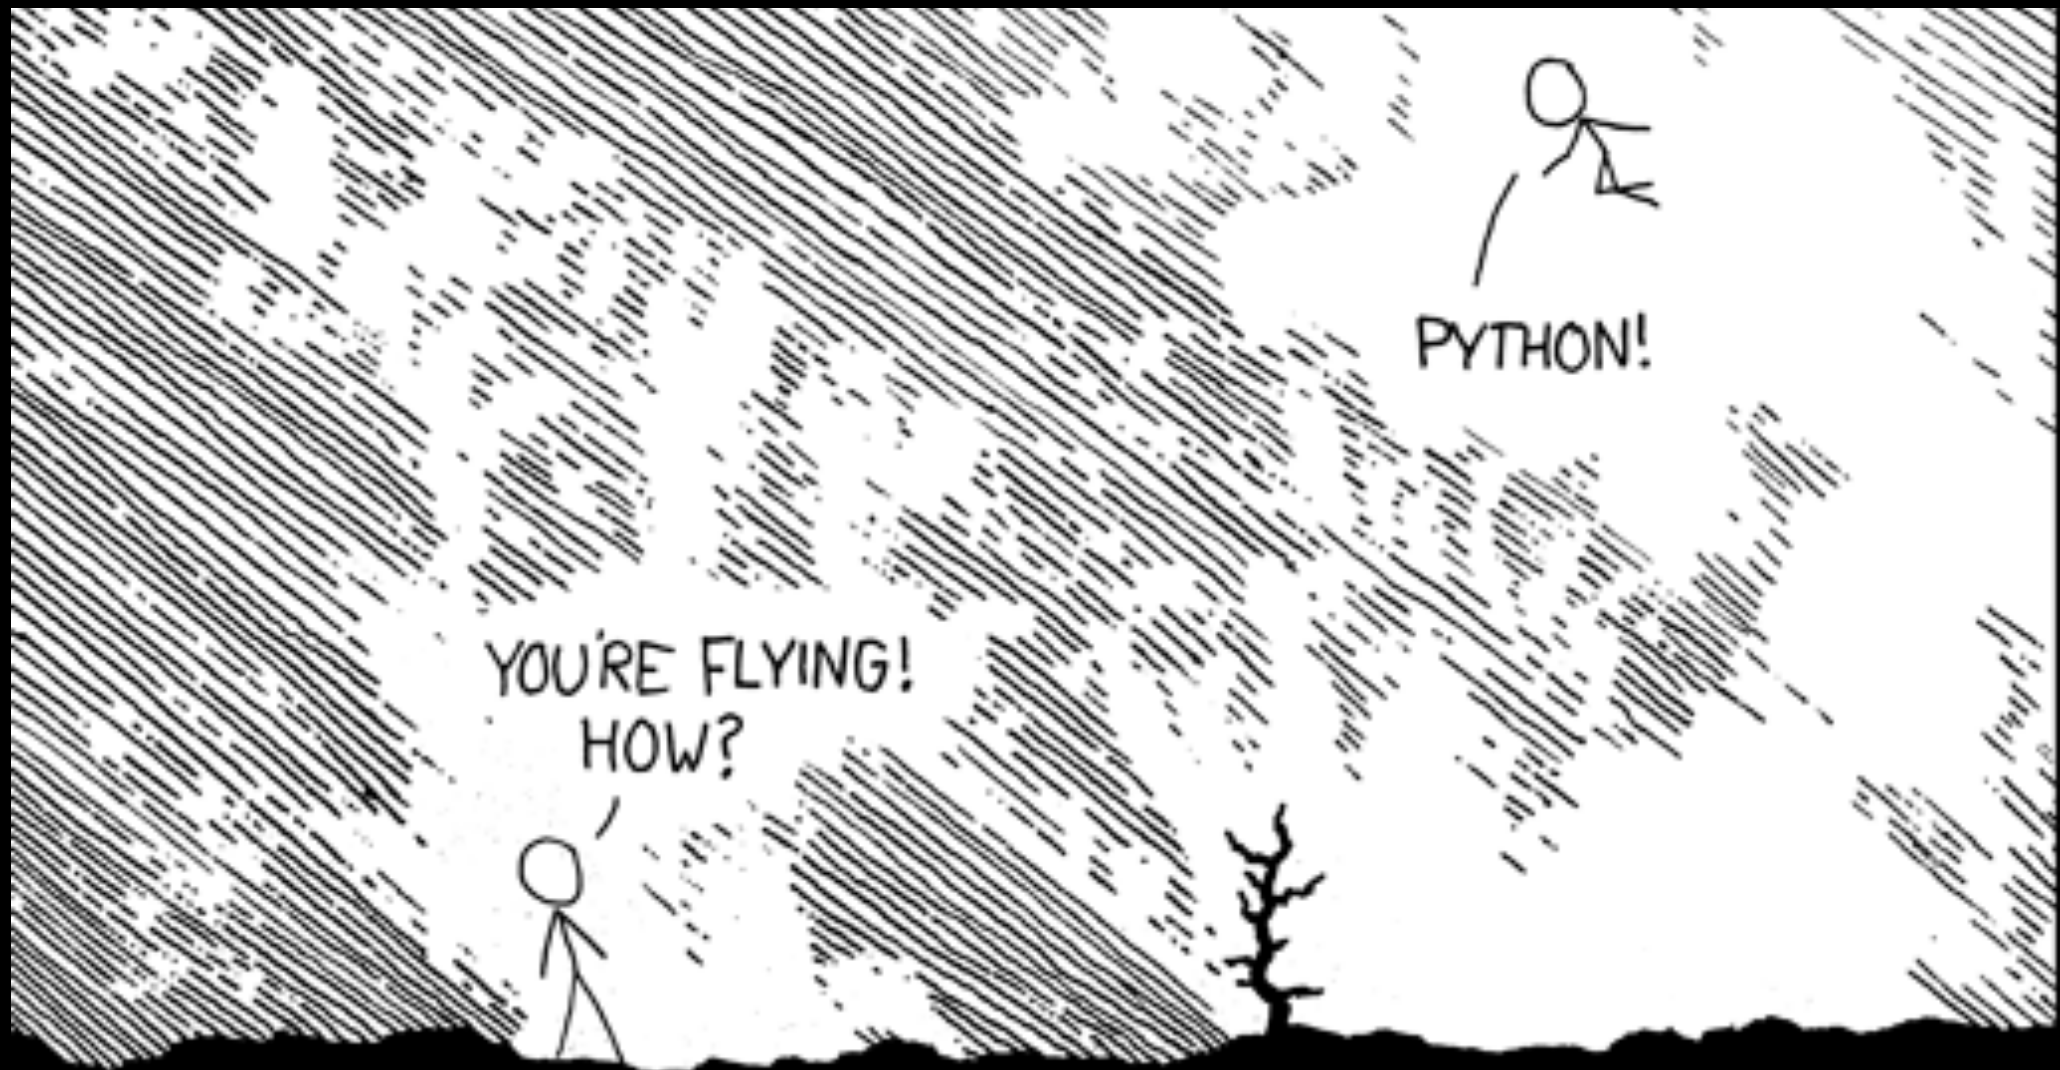

Be Awesome

one step at a time

Things Change Fast

Android is no exception

Programming Languages

are just tools

There Will Always Be New Things

"Most cars don't improve over time, but the Model S does. When you wake up, it's like driving a new car." Elon Musk

You Need to

ask yourself

What Do I Want?

really bad!

You Can Do

anything

But Not

everything
