

**I Can**

But I Won't

# I Thought

I was awesome

# In Reality

I was so scared

# Playtime is Over

drop the ball

Scott Hanselman

# So Many

cool stuff

**So Little**

time

**Teach Yourself**

**C++**

**in 24 Hours**

not so fast!

# **Instead** **Teach Yourself** **Programming in Ten Years**

Peter Norvig

# You Can't Be

good at everything!

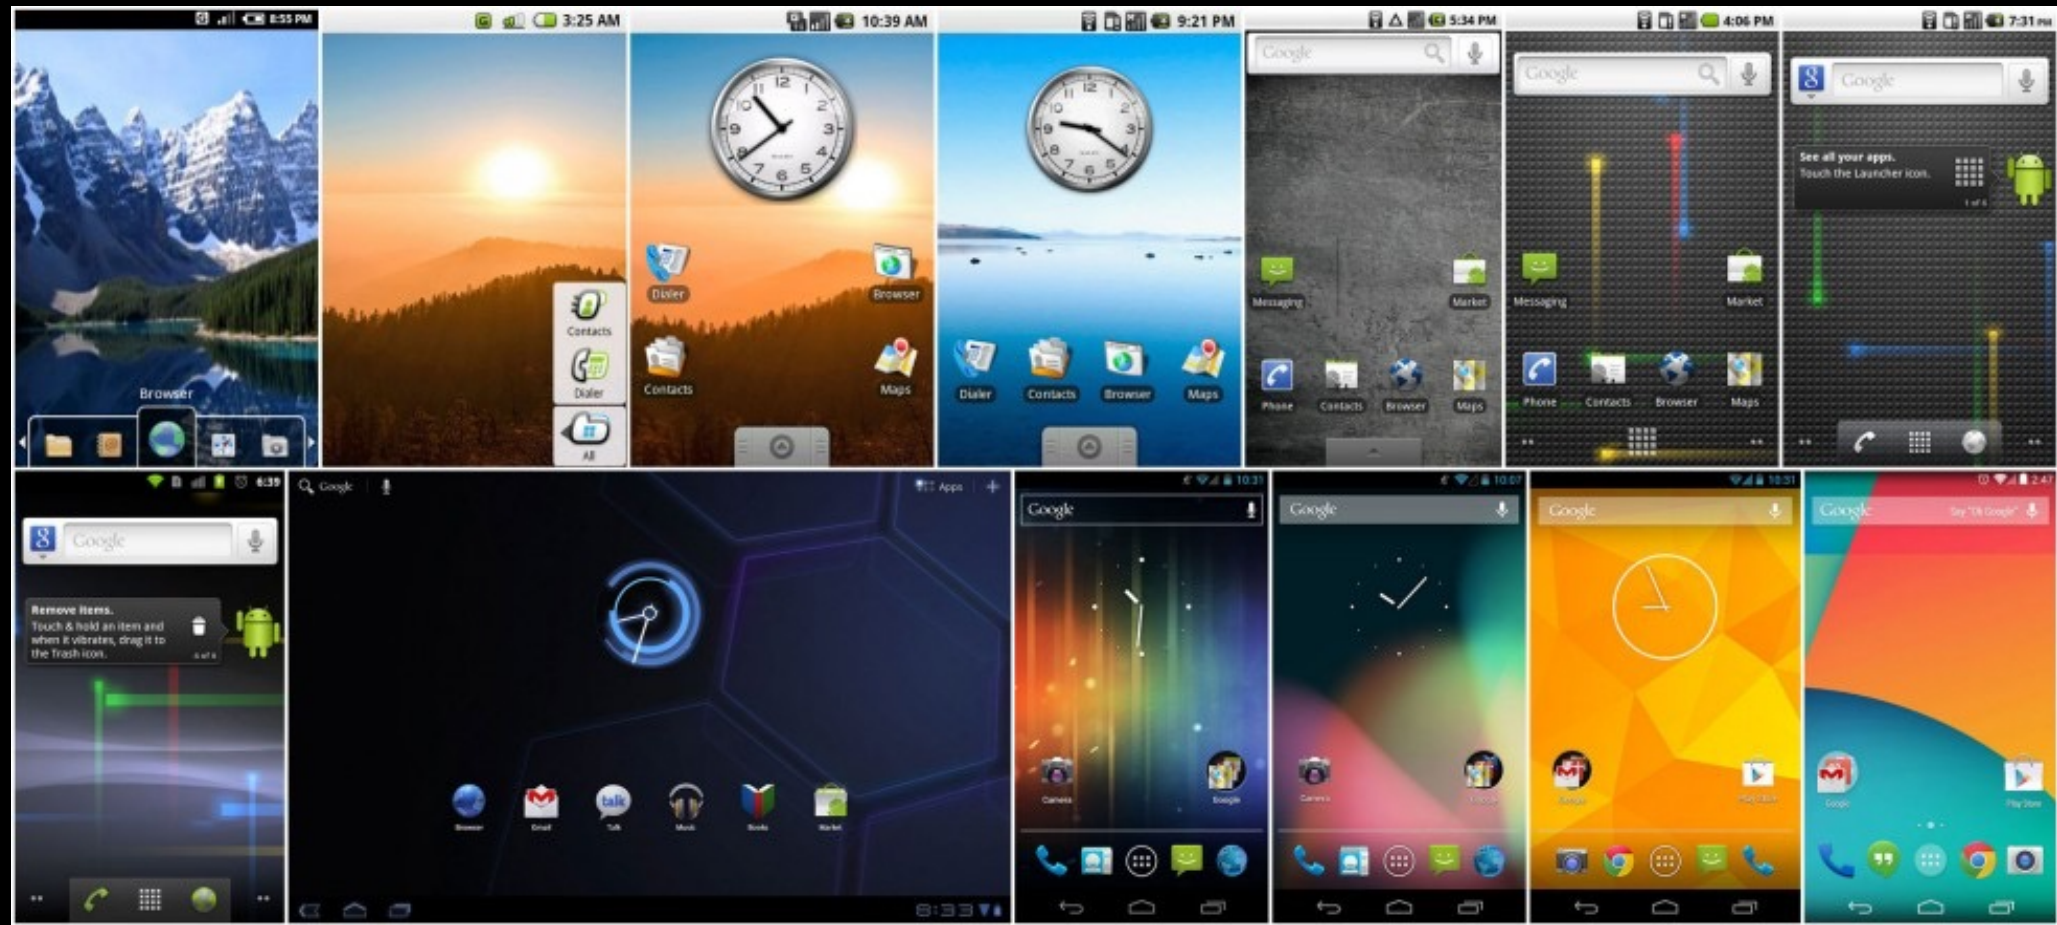

# Pick One

thing

**Anything**  
that scares you

# Be Awesome

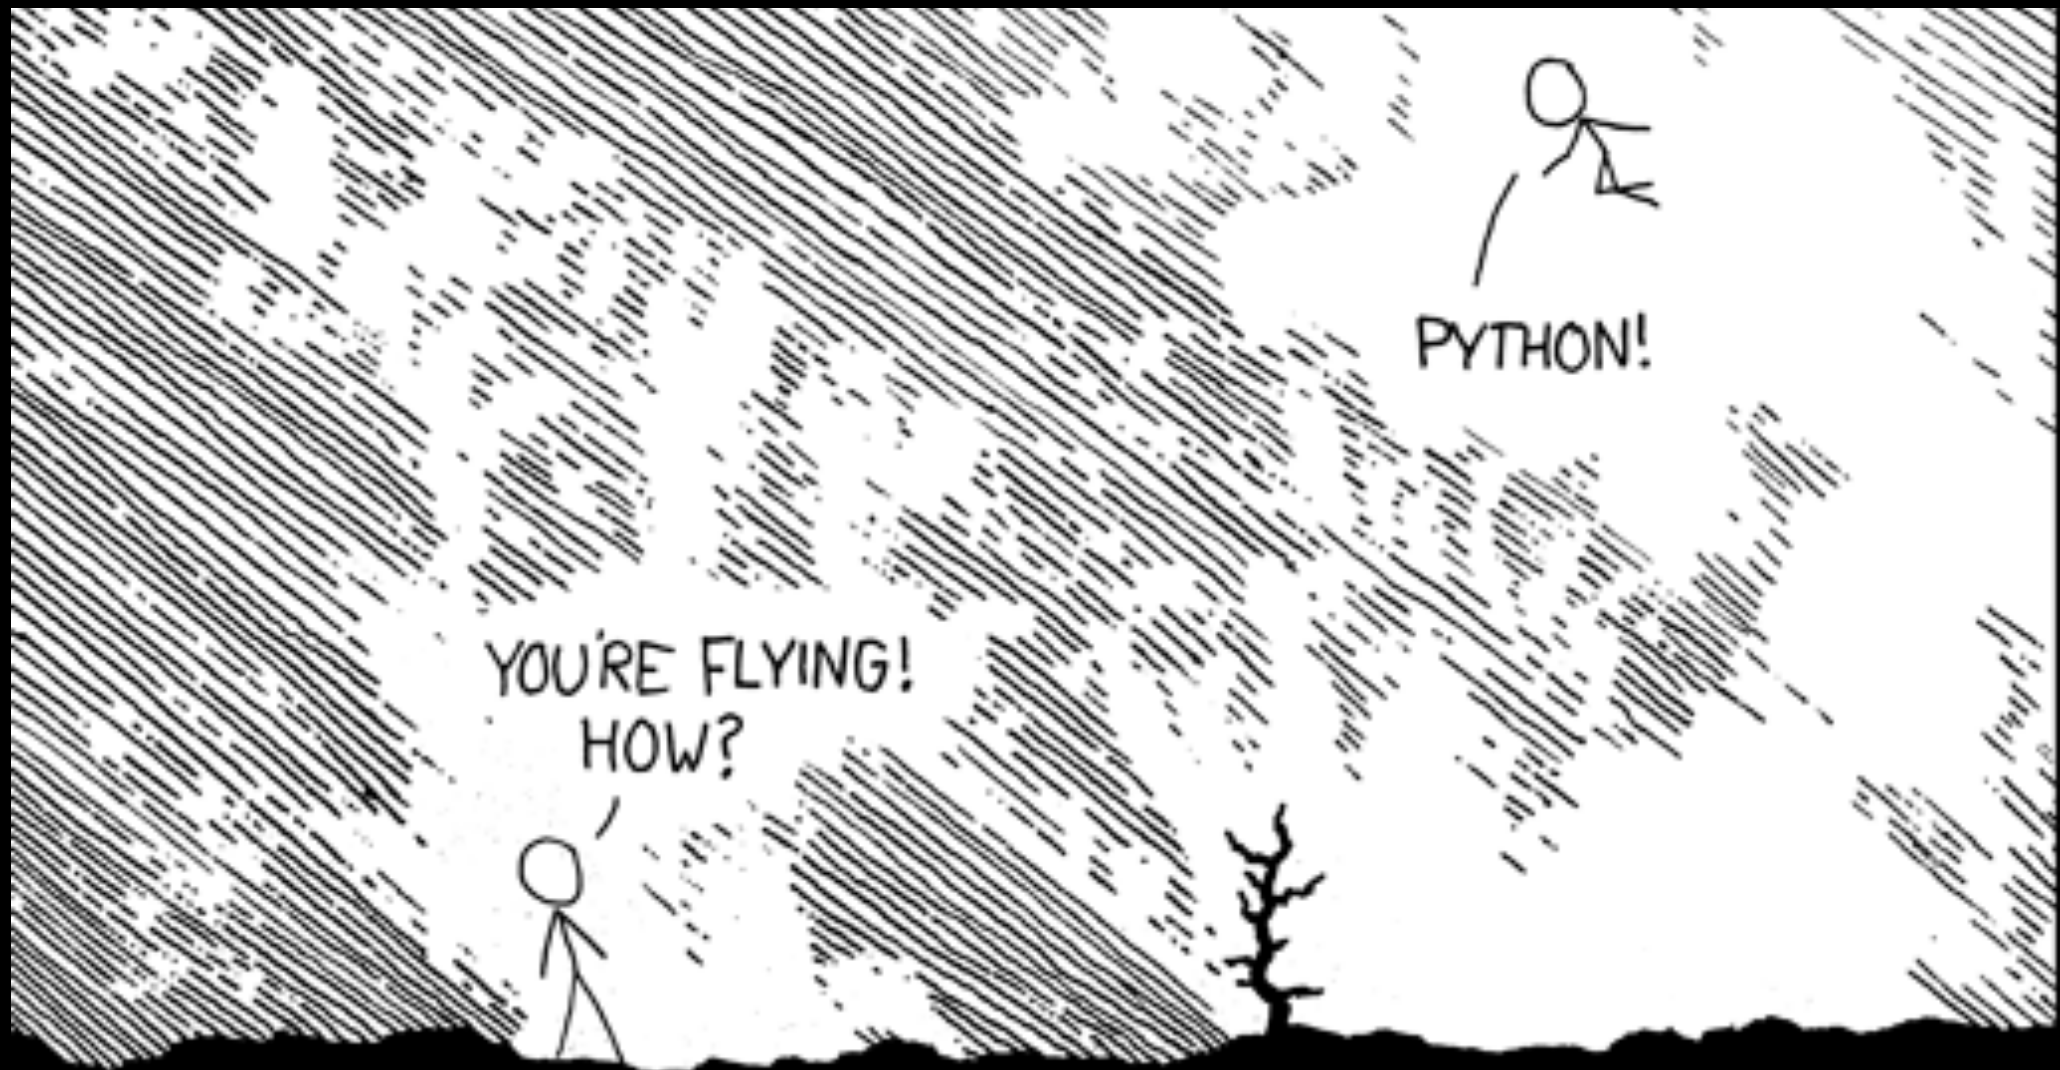

one step at a time

# Things Change Fast

Android is no exception

# Programming Languages

are just tools

# There Will Always Be New Things

"Most cars don't improve over time, but the Model S does. When you wake up, it's like driving a new car." Elon Musk

# You Need to

ask yourself

# What Do I Want?

really bad!

# You Can Do

anything

**But Not**

everything

# Get In Touch!
